December 2017 Issue

The President's Letter

Fellow Chatham Area Shaggers, I hope everyone had a wonderful Thanksgiving holiday spending time with their families and friends. I know I ate my share of turkey and dressing.

This will be my last newsletter for the year and I would like to thank all my fellow officers for all their help planning and preparing for our socials this past year. It takes all of us as well as our members to make it all happen. I forgot to put our slate of officers for next year in my last news letter and due to all that was going on we did not put it out at the November social. I will remain as president; Larry Howell will be vice president and Ann Plummer will be our treasure. We are still talking to a couple of folks about taking the secretary position. If anyone is interested in that position or any of the other positions that I have already listed, please let me know so we can talk about them at our December social. I also want to thank Martha Mobley for doing our newsletter and keeping our website up and

running; and Cathy Cash for sending it out to everyone each month. We also need to thank Captain John and the Dockside for having us there for our parties. I always hate to mention names when I start thanking people because I always feel like I am forgetting someone so if I didn't mention your name please accept my apologies. As I said it takes a lot of people to make it all happen.

Now for the next holiday. Christmas is just around the corner. Our Christmas party will be on December 10th at the Dockside and I hope everyone has it marked on their calendar. I know there are a lot of other parties going on this month and me and Cynthia are planning our weekends so that we can attend as many as we can. I know Christmas is always a busy time of the year with all the parties, shopping and visiting with our families and friends so let's not forget the reason for the season and all the ones that are less fortunate as us.

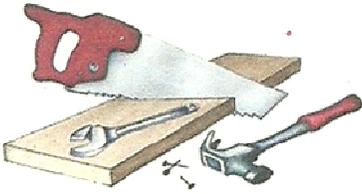

I would like to wish all of you and your families a Very Merry Christmas and a Happy New Year.

Always remember to ask someone you don't know to dance!

Jay
