The President's Letter

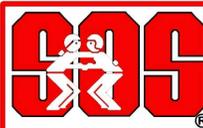

Fellow Chatham Area Shaggers,
I hope all of you had a safe and wonderful Christmas holiday and Happy New Year and all of you and your families are doing well. It is bad to wish your life away, but I am glad 2020 is behind us. It seemed like we were always hoping things would get better, but this COVID-19 stuff just keeps dragging on. I am really tired of having to wear a mask every time I go in the store and you would think I would be mask broke by now but about half the time I have to turn around and go back to the truck and get it! Hopefully now that the vaccine is out, and everyone gets their shot(s) things will gradually start getting back to normal or as normal as this crazy world we live in can be. I really think it is going to be awhile before we can get back to the lifestyle and the shag dance and all the good times spending it with friends and enjoying the music and dance that we all love. I am really looking forward to the day that we can start having our socials and dancing with our old friends and all the new friends that we make because of this music and the dance. I am sure we all have a lot of news to catch up on that we have not been able to share while all this has been

going on. I have really missed seeing all you!

I mentioned it in my last letter but just in case you did not get the word Mid-Winter has been cancelled and as we get information about future events, I will get them out to you or if you hear any news or info that we need to put out to our membership please let us know so we can get it out to everyone. Captain John is still doing his takeout/call in orders so everybody try to support him every chance you get so we will continue to have a place to have our parties when all this is over.

So, until we can get back together everybody stay safe, don't forget your mask, and remember to social distance! Hope to see all of you soon.

Jay

It is with a very heavy heart that I let you know that our friend Becky Stowe passed away last evening.

This is Becky's daughter, Susan. Thank you everyone for your prayers. We had a meeting with the oncologist this morning. She is stage 4 with a rare cancer. She has maybe 2 weeks. We are all devastated, but getting through it with each other. Life is precious. Love one another. We're reading comments and text messages to her if anyone wants to share some good memories and pictures. Love

In memory of...

We have lost another great guy and DJ Hall of Famer. Fast Eddie was a good friend and enjoyed our times DJing together. He had a personality like no other, always smiling and always glad to see everyone. He will truly be missed.
