The President's Letter

Fellow Chatham Area Shaggers,

What about that 21st Birthday Party! I know it was one of the biggest crowds that we have had in a good while to help us celebrate our 21 years. I know that you are saying "How does Jay know because he wasn't even there" but my heart was with you and I know that I had rather been there than where I was! I have talked to Larry and several other members that were there to get my information. As I said I think the party was a huge success and I know as for a money maker for the clubs bank account it was certainly a success. One other thing that I would note on is that we had a lot of members there that hadn't joined us in a while and it is always good to see old friends and have them join us for our parties. There were at least 5 other shag clubs represented at the party along with our Chatham folks and that is a welcomed sight and is greatly appreciated. Before I get too much further along in this letter I want to stop and say a Great Big Thank You to the folks that did all the planning and preparation's for the event. You sometimes hate to mention names because you might forget someone but in this case I am because we need to give credit to ones that made it happen. First off on the list is Patsy Glover. She is one that got the ball rolling by suggesting the party/fundraiser idea and she was the driving force that made it all happen and not to mention her wonderful cakes and desserts that she always brings to our parties. Patsy had several planning meetings at her home and always made every one

very welcomed and it was a great central location for everyone to attend. Patsy had a great group of ladies with Ann Plummer, Martha Howell, Jane Self and Linda McVey helping her with planning, decorations and getting items for the silent auction and keeping it organized the night of the party. I will also have to mention Larry Howell for filling in for me in absence. I could not stop without saying thank you to Captain John's Dock Side Seafood and all his staff for letting us have our parties and supporting our events that we have there. Thank You to all of you for your dedication and hard work for organizing and putting on this wonderful event!

There are a lot of parties and events coming up in the next couple of months now that summer time is here. Check out the flyers in our newsletter for the times and dates. Eno Beach is hosting the ACSC Summer Work Shop in Durham in July. This will be a weekend event with 2 days of partying and dancing. There will be pool parties, hospitality room, free pours, food, plenty of shagging and all the fun that goes along with a great crowd to enjoy it with. You will need a ticket to join in and don't forget to reserve you a room for the weekend even though it's just a few miles down the road. For all you parents and grandparents Jr SOS is also in July at OD. This is a great way to get the kids involved with the dance and a good vacation at the beach. There is also time for us older kids to dance while we are there. Like I said lots of things going on to get some dancing and fun in this summer.

I have talked about a lot of good stuff that has happened or that is going to happen this summer but it seems like every time I turn on this computer I read about some of our fellow shaggers that are sick or have illnesses and operation or have lost love ones. Please don't forget about these folks and even if it's just sending them an email, a card or a phone call to let them know that we are thinking about them in their time of need my put a smile on their face and to show that we really care about our fellow shaggers.

Always remember to ask someone you don't know to dance!

Jay
