The President's Letter

Fellow Chatham Area
Shaggers,

I guess everybody is maintaining their social distancing and staying at home as much as they can. I am catching up on my horse riding. There aren't many folks riding in the woods so it isn't hard to maintain 6 foot. Me and Cynthia went to the mountains and the only folks in the campground were us and the other couples that we went with. They sure ain't worried about it at Lowes and Home Depot.

Alright back to the shag world. I don't know if it has gotten around to everyone yet and if you didn't know they have cancelled Fun Sunday and Fun Monday for the coming up Fall SOS. I have not seen anything about the rest of the week yet, but I am sure they will be putting out some information soon. I have heard about some

outside parties at the beach but not sure if the clubs are open for regular business. If any of you have been to the beach, please call me and let me know what is going on. As far as our socials go, we are still on hold. I went to the Dockside and talked to John and he is not planning on opening back up until the latter part of June, so this cuts out June for sure. He told me to get back up with him towards the end of the month and we can discuss what kind of restrictions are still in place and then we can talk about what we can do for July. I have seen a lot of emails from other shag clubs and they are in the same situation as we are. If you are reading this newsletter, please send me a note and let me know how you feel about having a social in July. I am not sure if folks feel com-

fortable about getting out and about yet. Let me know how you feel. Larry is sending out phone tree next week letting everyone know about June and we will let everyone know about July when we find out what the Dockside is doing.

Everybody stay safe and hope to see all of you soon.

Jay

Dear Shag Club President,

It's rainy and dreary outside, but there's sunshine just ahead in the forecast. I wanted to touch base as your ACSC Vice Chairman to tell you that your ACSC and SOS Board has been diligently planning for Fall Migration and making decisions on items that we have control over at this point. As you've probably seen on our SOS Facebook Page and also on our SOS web site, our Summer Workshop was cancelled by the hardworking and dedicated folks with the Smoky Mountain Shaggers. Unless you've ever had to make a heart-wrenching decision that effects around 500 people...well, we just can't understand the real heartache that President Gerry Anders and his team had to make. They did their due diligence and cancelling was the right decision. We will most certainly look forward to them hosting a workshop in the near future!!

Next, you've probably read this week that the SOS Enhancement Committee faced a similar hard decision when planning for Fun Sunday and Fun Monday. How could they have moved forward with asking shag clubs that haven't met and danced or had fundraisers to sell raffle tickets which fund the bands and raffle prizes?? Well...they simply couldn't....so the decision was made to cancel this two day event and Rosemary Parten and her entire team hated to cancel, but with the financial revenue compromised due to Covid 19...no other decision could have been made at this time.

On a positive note...we look forward to Fall Migration in September...the plans are ON and we are all so ready to see each one of you and be reunited at our beloved Ocean Drive. One thing you may not have considered is that the City of North Myrtle Beach is scrambling hard at the moment to open hotels and restaurants and get their tourist business back open. They survive off tourist business and they certainly want us to return for our event. So...the plans are on GO and the only thing that would stop us is that the Governor of South Carolina would declare new mandates that keep us from traveling or gathering OR if the City of North Myrtle Beach should stop us. We may face changes to abide by whatever mandates are in place come September....but we will do what is necessary to keep us safe and healthy. We all must understand that this situation changes daily and it seems to be headed in a positive direction.

In the coming weeks, you will be receiving a personal phone call from one of your ACSC Board Members...Robin, Becky, Cecil, Ken and myself will be touching base with each of you to address any concerns, changes or updates that we may face. We look forward to speaking with you and helping you answer any questions that your shag club members may be asking. Together we will work through this...together we will rise above all the burden that this has touched each of our lives and our families.

God bless each of you...Until we dance again real soon,

Lisa Caveny - ACSC Vice Chairman
Robin Morley - ACSC Chairman
Becky Berry - ACSC Secretary
Cecil Martin - ACSC Treasurer
Ken Akin - ACSC Past Chairman

Fat Harold's opening has been postponed. Please read:

Dear Friends and Family, Sometimes life has a way of throwing you a curve ball and you get so excited when you hit it out of the park and then the next ball you get a strike. Well, we got 3 strikes, you can't open yet because you are a nightclub and no dancing is allowed, is the word we received from state officials on the opening of Fat Harold's Beach Club. The State of South Carolina's State Dance can't be done yet due to social distancing, period. I'm very sorry I got your hopes up and all of the employees as well. We were told we could open on Tuesday (June 2) but it ain't gonna happen. We are not sure exactly when we can open. We are on a burner and really think it's not the back burner anymore. So please bear with us as we absorb the shock and have some patience that we will be together again, very soon! When we get, the word again, I will share as fast as I can. We love you and can't wait to be together again. This to shall pass and life will go on and we can dance, have a few cocktails, listen to some good music and do all of the things we love to do, just not tomorrow. Prayers for our state officials. This must be tough for them. I wouldn't wear their shoes for nothing! Until you hear us shouting from the roof, for sure, that we are opening on a particular day.

WE LOVE YOU AND WE MEAN IT! 

Letter to ACSC Presidents from Robin Morley ACSC Chairman

Dear ACSC Presidents,

I hope this finds each of you healthy and safe. Due to Covid-19 our shag world is just waiting to be able to find out what our new normal will be. I certainly have missed my shag family and community. I know that you all have as well. It is with a deep sigh that I must share with you that the 2020 ACSC Summer Workshop has been cancelled. The Smokey Mountain Shaggers were working so diligently to make this a fun and safe workshop. We send a shout out of THANKS to them. In speaking with Gerry Anders today this best words we could find was it was a painful decision to make.

In closing, Please cancel your reservation at the guest hotel. You will receive your ticket registration money in the mail in the next weeks. Thank you for your patience during this time.

Stay healthy and safe!

Best,
Robin Morley
ACSC Chairman

Notice: 2020 Fun Sunday & Fun Monday Canceled

It is with a heavy heart that we must write this note, as SOS Fun Sunday/ Fun Monday has been cancelled for 2020.

Due to projected revenue of our event being compromised due to Covid 19, a decision was made and agreed upon by the SOS Enhancement Committee in conjunction with SOS and the ACSC. Approximately 85% of our revenue comes from shag club raffle sales and since they are not currently allowed to hold meetings or socials and no timeline as to when clubs will be able to meet, a decision had to be made, at this time.

We are so sorry to have to cancel this great event but due to circumstances beyond our control, it is our only option.

We appreciate all of your support in the last 20 plus years and are looking forward to 2021!
