## *The President's Letter*

Fellow Chatham Area Shaggers,  
Another month without one of our fun filled socials that we were having before Covid. I miss seeing all my friends on our shag nights with all the clubs that Cynthia and I are members of. If you look at the Shag Dance Web site there are a few clubs that are having socials where the establishments that they meet at are open but if you look at the pictures it seems to me that the attendance is on the low side. I have been talking with our board members and we agree that we are doing what is best for our club members. The Dock Side is open for takeout only and the state still has restrictions on the number of people you can have in a restaurant so that kind of leaves us out of a place to have our socials. But like I said we are not by ourselves in this issue because there are a lot of clubs that meet in the same type of venue as us. Also due to us not having our regular socials that has also made having our board meetings prior to socials hard to do. I have been talking to the board members by phone to talk about club business that needs to be carried on even though we are not meeting. We would usually be having our club officers' elections this month

and as you know without having a social this will not happen. All board members have volunteered to remain in their current position for 2021 until we call all get back together at which time, we will have an official nominations and elections. With that being said if there are any of you that would want to hold one of the board positions or have any objections to this decision please let me know. We have also decided to roll over our 2020 membership dues over to 2021 so if you were a paid member this year you will also be for 2021. We were planning on having our reup social in January and hopefully by then we can. If there are any other issues that you think we need to address, please let me or any of the other board members know.

As always please let us know about what is going on with our friends. I see a lot of you on Face Book or at the grocery store but other than we don't hear much so to all the birthdays, anniversaries, weddings, new grandbabies and all of the other special events in your lives that we have missed by not being able to get together for the last few months "Congratulations to all of you" and to you that have been sick, lost love

ones or had surgeries I hope you are doing better.

Cynthia and I attended the Sanford Shag Club reup party a few weeks ago and they extended an invitation to Chatham members to join them at their socials in Sanford at the VFW. Their socials are on the 3rd Friday of the month from 7 PM until 10 PM. Guest admission is \$8 at the door. I would check their web site or call one of the officers to make sure prior to going to ensure they have not cancelled. Please remember to support Captain John and the Dock Side so we will continue to have a place to go to when all this craziness is gone, and the world gets back to normal.

The holiday season is just about here so I hope all of you have a safe and happy Thanksgiving Holiday with your family and friends and I hope to see all of you soon.

Jay
