November 2022 Issue

The President's Letter

Fellow Chatham Area Shaggers,

I hope everyone is enjoying this nice fall weather we are having! I am glad the heat is gone but not ready for the cold weather and the short daylight hours yet.

I am sure that by the time this newsletter comes out there will be a lot of you that will have been contacted about our upcoming elections for officers and board members for the club for next year. To all of you that have put your name in the hat for one of these positions I Thank You. New people always make and come with new and fresh ideas which in turn helps make our Shag Club better. I have always said that I hate to call or mention names for the fear of missing someone so to all of you that are doing the calling and volunteering for the work groups I also Thank You.

The holiday season is almost here and with that I know everyone will be busy shopping and getting ready for all the traveling to relatives and friends. There are always a lot of parties to attend during this time of the year. Our November social will be on November

13th starting at 5 o'clock as usual and our DJ for the night will be Ron Russ. We have been having great turnouts for our parties this year so let's keep it going. Our December social which is our Christmas Party will be December 11th which is our usual second Sunday and it will also start at 5 o'clock. Our DJ for this party is Chigger Woods. We will be doing things a little different this year for our Christmas Party. As usual there will be no charge at the door for all paid members of the club and guest will still pay \$8.00 at the door. The bad news is that we will not be paying for the meal this year. Due to the cost of things and the club's finances we just don't have the money to pay for everyone's meal this year. Captain John will still be serving his great menu so we will still be able to get a great meal and enjoy the music and dancing as we always do. I will have more information on this in my December newsletter.

I am looking forward to seeing everyone at our November social and if I don't see you I hope everyone has a safe and enjoyable Thanksgiving Holiday with your family and friends.

Make a new friend and ask someone you don't know to dance!

Jay
