## *The President's Letter*

Fellow Chatham Area Shaggers,

OK I have had enough of this hot weather, and it is bad to wish your life away, but Fall is just around the corner and hopefully some cooler weather!

We had a big turn out of Chatham members at the Bass Lake Shagging with The Stars event to root Stacey and Randy on in the contest. They had a great dance and all their hard work and practice really showed. Congratulations to them on their performance! I would also say congratulations to all the winners and to Bass Lake for the great event.

We had one of my favorite DJs Butch Davidson at our August social and as always, he didn't let us down. He played some great music and kept the crowd dancing. It was a hot afternoon, and we had a good turnout. Thank You Butch for coming from Columbia, SC to support our club.

SOS is only a couple of weeks away and I hope everyone has their reservations made. I still have SOS card and will have them at our September party for anyone that still needs them.

Our next party is on September 10, starting at 5 o'clock at Captain Johns Dockside Seafood. Our DJ for the party will be David Pendergraft and I hope to see all of you there. SOS does start the following weekend so this will get everyone in the dancing mood.

Everyone please support our neighboring clubs with their parties as they do us as well.

Always remember to ask someone you don't know to dance.

Jay

### "SHAG" THE DANCE

*The magical suggestiveness of music and the artistic substance when expressing oneself in motion and movement, is to that in us a gift, and not an acquisition. One can be influenced and inspired by others whose artistic form is so delightful, but by gift, more saturated and permanently enduring within us. When appealing to our senses; if our desire is to reach responsive emotions, one must continually aspire to the devotion and blending of form and rhythm. Its delight and wonder stimulates desire within us and never lies dormant. The Dance, shared by all alike, binds us all, one to another, in fellowship and encouragement. The acceptance and accolades, which are both satisfying and rewarding, drives our quest towards the embodiment of harmony and form. In exerting oneself for the purpose of this endeavor, one will begin to comprehend the mysteries of self-expression through The Dance. As a skilled practitioner of this artwork, one can also produce superlative masterpieces that will amaze and be etched in the minds of the beholders forever; just as did the old Masters of sculpture, painting, architecture, and poetry.*
